## Action Plan – updated June 2025

## Aims of PPG

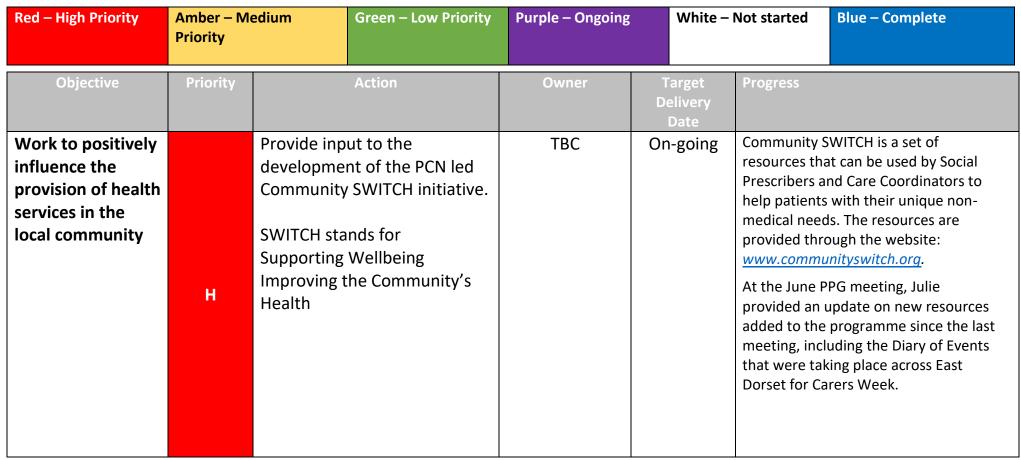

- 1. To consult with the GP Practice on the development and provision of community needs;
- 2. To contribute to and be kept informed of GP Practice decisions;

3. Participate in two-way communication with both the NHS Dorset Integrated Care Board (ICB) and the Practice to

positively influence the provision of health services in the locality;

4. Promote the needs of the community by encouraging and supporting activities within the GP Practice to encourage preventative medicine and healthy lifestyle choices;

- 5. Share news of the work of the PPG through various communication channels to the broader local community;
- 6. Ensure that patient information and advice are readily available and clearly presented.

|  | C        | Evaluate the impact of how<br>the increased demand from<br>new Kingsmere Park residents<br>will impact the provision of<br>healthcare for existing<br>patients.<br>Lynne Hyde raised concerns<br>about the McCarthy & Stone<br>proposal to build a retirement<br>living development featuring<br>around 50 one- and two-<br>bedroom apartments at Parley<br>Cross. | Lynne Hyde   | Complete                   | PPG members have raised<br>concerns about how the<br>development will impact<br>healthcare provision by the<br>Practice. Given that the whole<br>development falls within BFP's<br>catchment area, and the<br>Glenmoor Road site is the nearest<br>GP surgery, it is possible that<br>anyone relocating to the area may<br>approach Barcellos to register. The<br>Practice has confirmed that there<br>will be sufficient staffing of<br>clinical and administrative roles<br>to meet any increased demand<br>and members agreed at the<br>March meeting that this action<br>can be closed. |
